Dear Parents and/or Guardians,

Each morning, Park View students arrive at school with bright and smiling faces ready for a new day of learning. Many students arrive by bus while others come by car. Those students who arrive to school by car are dropped off in the front parking lot and use the cross walk to the main entrance. As you are aware, the safety of our students is very important to us.

- Cars should continue to enter the parking lot in a single file line. Please do not pass cars in this area.
- The car line in the parking lot should be considered a “kiss and go,” or quick departure for children from your car. Parents who enter this line should not leave their car to walk their child to the front of the school.
- If you have a need that requires you to park and walk your child to the front of the school, please park on Roundtree Drive or the parking lot located at the end of the building near the cafeteria. A supervised cross walk and gate are available for parents and students to gain access to the school from Roundtree Drive.
- Please do not park in the front lot during arrival time. A safety concern arises when parents have to back their cars up in order to exit parking spaces into a line of cars.

Please see an additional letter regarding car rider pick-up procedures.

Thank you for your patience and understanding as we take steps to ensure the safety of our students.

Sincerely,

Kevin H. Storch
Principal
